Deans List

## EXPERIENCE

### Product Design Intern

LumiSource LLC

Elk Grove Village, IL

*Summer 2020 / Winter 2020*

Managed and prototyped several original designs, while communicating directly with international vendors on approved projects. Worked closely with manufacturing and finance teams as well as the design team.

### Fabrication + Design Intern

HexNest

Champaign-Urbana, IL

*October 2019 - May 2020*

Aided in the development and manufacturing process of innovative gymnastic safety technology and testing materials, while also creating marketing materials.

### 3D Fabrication Lab Assistant

UIUC College of Art + Design

*August 2018 - May 2019*

Champaign, IL

Supervised and aided students with machinery and projects and assignments, specifically woodworking and foam prototyping.

### Studio Artist + Designer

GPTetrev Pottery / ViaClay Studio

*May 2018 - Present*

Oak Park, IL

Collaborated with owners to design marketing and social media content for the two businesses, while also creating and selling original works at the Gallery.
